28 YEARS OF QUALITY PRIVATE EDUCATION

We have put together some important information for you to get to know us better.

LEARNING THROUGH PLAY

WHAT WE STRIVE FOR

We are a young dynamic and dedicated group of hardworking teachers. We incorporate innovation and creativity in every lesson we teach. We are always caring and loving towards every child and we work to satisfy every child's individual needs. Royal Schools also provide your child with beautiful facilities and a safe environment to develop their skills freely.

OUR STORY

Royal Schools was established in 1993. We provide affordable quality private education. We offer academic excellence through experienced management and committed staff in a convenient and safe environment.

Our vision is to be the independent school of choice in the communities we serve.

OUR VALUES

“We always put people first in whatever we do”

“We always do what we say”

“We finish what we start”

“We always give our best and improve on what we do”

OUR MISSION

We strive to achieve academic excellence by giving learners a joyful educational experience. At Royal Schools we learn and explore through play.

CURRICULUM

The school curriculum is 100% based on the national curriculum(CAPS). At Royal Schools we incorporate art, baking and playtime opportunities. We also integrate various reading programs and science.

WHAT PRESCHOOL IS ALL ABOUT

ARTS

Art is an integral part of our curriculum as we are firm believers in the great impact that creativity has on fine motor skills and abstract thinking which lead to better problem solving skills. We work to unlock every learner's creativity and imagination. At our preschool we give learners a lot of opportunity to experiment with various art materials and creative ideas. Learners are given time to cut, paste, mould, build, paint, draw and let loose with their imagination!

BAKING

At Royal Schools we have a lot of fun teaching learners how to bake. We teach them how to make and love healthy food such as salads. They also learn how to bake muffins, cupcakes, cakes, puddings and then they top it off by decorating their creations with icing, sprinkles and sweets!

VEGGIE GARDEN

How can one bake and make healthy things without the right ingredients? At Royal Schools we have our very own veggie garden where learners are taught about various plants and vegetables and how they grow. Our learners are actively involved in maintaining our garden by watering and getting rid of all those unwanted weeds. This also teaches our learners responsibility.

TUCK SHOP

Parents can give learners tuckshop money for a treat at our tuck shop.

FUN DAYS

Hard work is rewarded with fun days! We like to dress up, watch movies, play on water slides or jump on a jumping castle. We also celebrate Valentine's day, Easter, Spring day, Heritage day and many more.

OUTINGS

At Royal Schools we do not only teach our learners indoors, but outdoors as well. We take our learners on various outings. Our outings are always the highlight of the year.

SOCIAL PROJECTS

At Royal Schools we believe in giving back to the community. We collect and distribute Easter eggs, tinned food and toiletries to various needy organisations.
