# More Royal Schools news!

## Grade 7 and 8 Girls Pamper Party

It was a fun-filled evening with lots of spoils for our young girls. Thank you to Mrs South Africa, Zanele Sibiyi, Banyana Banyana's, Pinky Lushaka and our former Royals learner, Lesego Nyathela, a leading business woman in science and technology for making the day extra special.

## Grade 7 and 8 Boys to Men Hike and braai

## St. Declans Interschools winners

Most of the learners pictured below qualified to compete at the Germiston Stadium during Alberton Championships.

Well done to our awesome boys and girls.

## Creative Arts Road show

Our primary school took part in the district roadshow and they had so much fun sharing their talent and moves. Sky City learners were the show stoppers of the day.

## Eskom Science Expo

A big thank you to our learners that represented us well at the science expo. Good luck in all your team projects lined up for you.!
