More Royal Schools news!

Our Foundation hosted their very first Reading Fair on Saturday. The parents and learners had a wonderful whole reading session.

Our learners participated in the Mathletics 60 Seconds Challenge.

Our Economics learners spent their Saturday at the Reserve Bank learning about the economic challenges and having a dialogue on how to solve these challenges. They have been given a project to work on in the next few months. Good Luck boys and girls. 🏆

Our primary school learners were treated with a Carnival Friday. It was such an exciting day filled with colour, fun and festivities.
